Public Invited to Participate in 2015 Citizen Survey

The Town of Sahuarita has hired Strongpoint Marketing to conduct a mailed survey to a scientifically valid sample of residents to gather opinions about our community and municipal government. The survey asks for feedback on the quality of life, transportation, communication, growth, parks and recreation, crime and police, town amenities, and more.

In 2013, the first citizen survey was conducted. People spoke – we listened! Outcomes from the last survey include:

- Construction of two new ball fields at Quail Creek Veterans Municipal Park
- Commissioning of an economic development strategic plan to guide future retail and commercial development
- Planning future annexation efforts to the east of Town to expand residential, commercial and industrial areas

Randomly selected households within the boundaries of Sahuarita will receive the survey and instructions for completion in the mail later this week.

“Your answers help the Town Council make decisions that affect our community and help us set benchmarks for tracking the quality of services provided to residents. Please participate, as your feedback is very important to us!” - Mayor Duane Blumberg
