Information about how Sahuarita works for you

Sahuarita's 2019 Youth Art Project

Quail Creek Veterans Municipal Park is now home to several artistic benches and trash receptacles from this year's Transportation Art by Youth Program. Nine summer students and their teacher from Sahuarita High School participated in this year's Youth Art Project, funded annually through grants from Pima Association of Governments. The program helps students define the unique identity of their communities while developing a valuable work ethic.
